IJK

Precision from Japan Trusted Worldwide

Angular Contact

OD 17mm~ 85mm
Machine Tools
High Performance
Machinery
Semiconductor

Single Row Deep Groove

OD 19mm~ 42mm
Electrical Equipment
Auto Parts

Super-precision bearings

Strengths of IJK

Double Row

OD 30mm~ 62mm
Engine Support Parts
Of Automobiles
Power Tools
Compressor
Transmission

Single Row Deep Groove

OD 19mm~ 52mm
General Industrial
Machinery
Spinning Machinery

● Made in Japan

100% produced and quality
controlled in Japan

● High Precision

High-precision and high-quality
products using sophisticated
technologies accumulated

4-Point Contact

OD 21mm~ 62mm
Electrical Equipment
Auto Parts

Magneto Bearing

OD 16mm~ 47mm
General Industrial
Machinery
Spinning Machinery

● High Durability

Long service life under
continuous load

Special application bearing

OD 22mm~ 62mm
Bicycle Hubs
Chip Mounters
Semiconductor Facilities

OD 19mm~ 50mm
Semiconductor Cleaning
Equipment
